SUPPLEMENTAL TERMS & CONDITIONS
RFB2006-103-BH

1. Supplemental Terms & Conditions: These supplemental terms and conditions are in addition to the general instructions, terms and conditions and, in the event there is a conflict between the provisions of the general instructions, terms and conditions and these supplemental terms and conditions, the provisions of these supplemental terms and conditions shall control.
2. Additional Work Rates: The Offeror shall provide an hourly rate and a material cost in addition to the lump sum offer, to be used solely for computing the costs of any additional work required and approved by the City.
3. Award of Contract – Lowest Responsible Offer – Open Ended: The City intends to award an open-ended annual contract for merchandise, parts, and/or supplies, as needed, on the basis of this request. The contract will be awarded to the responsive and responsible Offeror whose “All or None” total price is lowest after all appropriate discounts are applied. If no responsive “All or None” offers are received, the City reserves the right to award the contract to the lowest responsive and responsible Offeror who offers at least as many items as all other Offerors or award a contract or contracts on a per item basis, whichever is in the best interest of the City.
4. Cited Model: The model (s) cited herein is (are) intended only as a reference; however any model offered must meet or exceed all specifications of the cited model(s) by virtue of performance and/or physical specifications.
5. Contract Period – 24 Months: A contract resulting from this request will be effective for twenty-four (24) months from the date of issue of the purchase order unless otherwise specified.
6. Extension of Contract Period: Any contract resulting from this request may be extended for three (3) additional twelve (12) month periods or any part of a twelve month period by mutual agreement between the contractor(s) and the City.
7. Graffiti Free Requirement: The awarded vendor will be required to furnish equipment, facilities or other items as may be required to complete the specified services in this request for bids which are “Graffiti Free”. Failure of the awarded vendor to comply with this requirement may result in a cancellation of any contract issued as a result of this request for bids.
8. Inspection of Materials: The City reserves the right to inspect materials provided by the Offeror through a contract resulting from this request to determine their quality, fitness and suitability. Inspection of these materials may be conducted whenever the City considers necessary.
9. Laws & Regulations: The Offeror shall give all notices and comply with all laws, ordinances, rules and regulations that apply to this work. The Offeror shall obtain and pay for all permits and licenses necessary to execute and complete the work. All required licenses must be in force at the time of submission of an offer and remain in force during the entire period of any contract resulting from this request. Failure to provide proof of required licenses in force will result in the offer being judged non-responsive.
10. Material Safety Data Sheets: To comply with the occupational health and safety regulation 1910.1200 for general standards on handling hazardous materials, material safety data sheets (MSDS) are required for the products included in this request. A copy of the MSDS must accompany your response to the request and be included with the product when delivered to the end user. Failure to comply with this requirement may cause your offer to be considered non-responsive.
11. Price Escalation: This offer may be considered for price escalation under the following conditions:
 - a. Offered prices must be firm for at least ninety (90) calendar days after written notification of a contract.
 - b. All price increases shall be accompanied by a certified letter from the Offeror’s supplier showing the price increase to the Offeror.
 - c. All invoices of the offered items, from suppliers to the Offeror, shall be subject to auditing by the City and furnished without delay upon request.
 - d. The City reserves the right to cancel a contract resulting from this request and solicit a new contract if the escalated price is above the current open market price for the same commodity. Cancellation of the contract shall not affect any outstanding orders.
 - e. All revisions of the price list shall become effective when they are received, in writing, and accepted, by the Purchasing Officer, provided that they do not conflict with Item F of this paragraph.
 - f. All approved price changes resulting from this escalation clause shall be firm for a period of ninety (90) calendar days after acceptance in writing by the City.
 - g. The Offeror shall be limited to a maximum of two (2) price escalations per contract period unless otherwise specified in this request.
 - h. The Offeror shall provide to the City written notice of any requested price changes which become effective upon written acceptance by the City Purchasing Officer.
 - i. If the Offerors received any price de-escalation from the supplier of goods sold to the City through a contract resulting from this request, the Offeror is responsible for notifying the City within twenty-four (24) hours of such de-escalation, and passing those price changes on to the City immediately.
12. Working Conditions: The City is not responsible for obstacles, unfavorable conditions, or hazards, which may be encountered by the Offeror, both above and below ground. These conditions are part of the risk and responsibility of the Offeror.

Terms of less than twenty (20) days will not be considered. The discount term shall not begin until the goods, services or construction have been delivered and accepted and the correct invoice received in the City's Accounts Payable Office.

 - F. **Freight Policy:** Freight will be F.O.B. Destination (as indicated on the Request Form), Freight Prepaid, unless otherwise specified in this Request.
 - G. **Taxes:** Offerors shall include any applicable gross receipts taxes in it offered price, unless specified otherwise in this request, and such offer will be construed in that manner. The City will, under appropriate circumstances, furnish a non-taxable transaction certificate. Determination of whether the tax is due and payment of the tax is the responsibility of the Offeror. Applicable taxes are to be included in each invoice due and may not be billed more than sixty (60) days after providing the services to which the taxes apply.

H. **New Material, Etc.:** All materials, supplies, equipment, and vehicles specified in this Request shall be new, the latest in production and manufactured within the last twelve (12) months (computed from the date and time of offer opening) unless otherwise indicated. This does not apply to materials, supplies, equipment or vehicles used by the Contractor to provide the required items of tangible personal property, services or construction.

I. **Warranty:** Materials furnished by the successful Offeror shall be accompanied by the manufacturer's written warranty against defects in quality, craftsmanship, and materials.

The Offeror agrees that the items of tangible personal property, services or construction furnished under any contract resulting from this Request shall be covered by the most favorable commercial warranties the Offeror gives to any customer for such items. Further, the Offeror agrees that the rights and remedies provided in such warranties extend to the City and are in addition to and do not limit any rights afforded to the City by any other clause of this Request.
