In those situations where the analysis / evaluation exceeds the ninety (90) calendar days, Offerors may withdraw their offers from consideration.

19. Award of Contract:

- A. When Award Occurs: The award of a contract occurs when a Purchase Order is issued or other evidence of acceptance by the City is provided to the Offeror. A Recommendation of Award does not constitute award of contract.
- B. Award: If a contract is awarded, it shall be awarded to the responsive and responsible Offeror whose offer is lowest in total price and is the most advantageous to the City, specifications and other factors considered.
- C. Basis of Award: The City reserves the right to award a contract based on this Request in total or by group of items, on the basis of individual items, or any combination of these, which in the judgment of the Purchasing Officer, best services the interests of the City, unless otherwise stated in this Request.
- D. Increase of Quantities: The City reserves the right to increase the quantities of items of tangible personal property, services or construction to be provided within a twelve (12) month period, under the terms of the Contract, at the same prices, with the consent of the Contractor.
- E. Decrease of Quantities: The City reserves the right to decrease the quantities of items of tangible personal property, services or construction to be provided under the terms of the Contract. However, the Contractor shall be offered an opportunity to cancel the portion of the Contract affected by such a decrease if the Contractor is not able to meet the contracted prices by delivering the decreased amount. This clause shall not have effect if the Contract was originally awarded based on estimated quantities.
- F. Contract Changes: In no case shall a contract be changed without the prior written approval of the Purchasing Officer.
- G. Debarment / Cancellation of Contract: Upon receipt of notice of debarment of an Offeror awarded a contract as a result of this Request for Bids (the "Contractor"), or other ineligibility of the Contractor to receive funds from any agency of the federal government, the State of New Mexico, any local public body of the State, or any state of the United States, the City shall have the right to cancel the contract with the Contractor for cause as provided in Section 25 below.
- H. Local and Resident Preferences: A five percent (5%) Preference may be afforded an Offeror who qualifies in accordance with the City's Public Purchases Ordinance. If no offers are received which qualify for a Local Preference, a 5% Resident Business Preference may be afforded an Offeror who has been certified by the State of New Mexico Purchasing Division, in compliance with State laws.

Information regarding the Public Purchases Ordinance and the application of the Local or Resident preference can be obtained by contacting the Purchasing Division at (505) 768-3344.

To qualify for the Resident Preference, the Offeror must provide its assigned Resident Certification Number with its offer (an appropriate place is designated in the Request). If an Offeror does not provide its assigned Resident Certification Number with its offer, the offer shall not be considered as made by a resident business and no preference shall be applied during the analysis of that offer.

NOTE: Your State Tax Number is NOT your Resident Certification Number.

20. Goods Produced Under Decent Working Conditions:

It is the policy of the City not to purchase, lease, or rent goods, for use or for resale at City-owned enterprises that were produced under sweatshop conditions. The Offeror certifies, by submittal of its offer in response to this solicitation, that the goods offered to the City were produced under decent working conditions. The City defines under decent working conditions as production in a factory in which child labor and forced labor are not employed; in which adequate wages and benefits are paid to workers; in which workers are not required to work more than 48 hours per week (or less if a shorter workweek applies); in which employees are free from physical, sexual or verbal harassment, and in which employees can speak freely about working conditions and can participate in and form unions. 21. Delivery, Acceptance and Guarantee:

- A. No Delivery Before Purchase Order is Issued; No Offeror, including the Offeror to whom an award is made shall deliver any item of tangible personal property, commence services or construction prior to the issuance of a Purchase Order or Notice to Proceed issued by the City Purchasing Division.
- B. Cancellation for Non-Delivery: The City reserves the right to cancel any order not delivered by a guaranteed date stipulated in any contract resulting from this Request without liability on the City's part.
- C. Acceptance of Delivery: Acceptance by the City of any delivery shall not relieve the Contractor of any guarantee or warranty, expressed or implied. Such acceptance of delivery shall not be considered an acceptance of services or materials not in accordance with the specifications. Such acceptance of delivery shall not waive the City's right to require replacement of defective material or inadequate service.

22. Inspections:

Prior to Acceptance of Delivery: All items of tangible personal property, services or construction found inferior to the quality specified in the Request, deficient or incorrect in weight, measurement, workmanship, handicraft or otherwise, may be rejected as a whole or in part and then shall be removed by the Contractor at the Contractor's own risk and expense promptly after notice of rejection. The Contractor shall assume responsibility for taking the necessary action to correct or replace the rejected items, within the time frame specified in the notice of rejection.

23. Invoices and Payments:

The Contractor shall submit an accurate invoice, in duplicate, for each purchase. Invoices shall refer to the Purchase Order Number, the Release Form Number if applicable, and shall be itemized unless otherwise specified in this Request. Invoices are to be mailed to: Accounting Division (Accounts Payable), City of Albuquerque, P.O. Box 1985, Albuquerque, New Mexico 87103. Invoices mailed or provided to any other entity will result in a delay in making payment. Offerors are encouraged to inquire if payments due are not received within thirty (30) days after delivery of goods/services and submittal of invoice by contacting the Accounting Division at (505) 768-3400.

24. Default/Termination for Cause:

If, through any cause, the Contractor fails to fulfill the Contractor's obligations under any contract resulting from this Request in a timely and proper manner, or if the Contractor, violates any of the covenants, agreements or stipulations of such contract, the City shall notify the Contractor of such violations in writing and allow the Contractor a reasonable time, set out in the notice, to correct the default. The City shall provide written notice to the Contractor specifying the effective date of cancellation. The notice of cancellation may be contained in the notice of default.

If a contract resulting from this Request is cancelled, the Contractor shall not be relieved of liability to the City for damages caused by its breach of the contract. The City reserves the right to recover such damages, including but not limited to any excess cost incurred in having to purchase contract goods/services from other sources by a deduction from an unpaid balance due to the Contractor, collection against a performance or labor and materials payment bond, a combination of these remedies, or any other legal method available. In addition, the Contractor may be removed from the Purchasing Office Vendor List or determined to be ineligible to respond to future solicitations, as being not responsible.

25. Termination for the Convenience of the City:

The City may terminate any contract resulting from this Request at any time by giving at least thirty (30) days notice in writing of such termination to the Contractor. In such event, the Contractor shall be paid under the terms of the contract for all goods/services provided to and accepted by the City, if ordered or accepted by the City prior to the effective date of termination.

26. Termination for Lack of Appropriations:

Funding for the contract resulting from this Request has been appropriated by the City Council for the City's current fiscal year.
