IN THE EVENT THAT A UNIT REQUIRES REPLACEMENT, AND THE REPLACEMENT UNIT’S PRICE (INCLUDING SHIPPING, INSTALLATION, APPLICABLE TAXES, ETC.) EXCEEDS $25,000.00, THE VENDOR AWARDED THAT JOB IS REQUIRED TO FURNISH A 100% LABOR AND MATERIALS / PERFORMANCE BOND IN THE AMOUNT OF THE UNIT’S TOTAL COST WITHIN THREE (3) DAYS BEFORE THAT JOB CAN PROCEED. A LETTER OF INTENT FOR THAT JOB WILL BE PROVIDED BY THE PURCHASING OFFICE.

ALL ACTIVITIES PERFORMED ON THE CONTRACTS RESULTING FROM THIS BID WILL BE IN ACCORDANCE WITH THE ATTACHED SPECIFICATIONS.

**************************************************************************************************************************LAST ITEM REQUESTED**************************************************************************************************************************
1.0 GENERAL

1.1 The following are minimum specifications for a contract for uninterrupted power supply services for the Albuquerque Bernalillo County Water Utility Authority (ABCWUA). The resultant contract may be awarded to multiple contractors. This contract is for two years with two possible one-year extensions upon mutual agreement between the Albuquerque Bernalillo County Water Utility Authority and the awarded vendor(s).

1.2 The resultant contract will be for preventive maintenance, and repair service for the listed Uninterrupted Power Supply units (U.P.S.). Any other related service, parts and labor, and purchase and installation of new units will be covered under this contract. Attached is a list of the different brands of U.P.S. units operated by the Water Reclamation Division (WRD) of the ABCWUA. The ABCWUA has the right to add U.P.S. units to this contract by obtaining a quote from the awarded contractor(s) and by submitting a Purchase Order adjustment to the Purchasing Division to add the unit(s).

1.3 A mandatory site inspection is required of all bidders. The bidders may inspect any of the listed units, but can only bid on the inspected units for which the bidder is service certified. An inspection certification form, attached, will be completed by the WRD contact person and signed by the bidding inspector. It is required that the bidder submit the inspection certification form with the bid; if not submitted then the bid may be deemed non-responsive. Bidding inspectors are to make an appointment, with the WRD contact, no later than two weeks prior to the bid opening date.

Contact: Leonard Griego, Acting Electrical Supervisor  
ljgriego@abcwua.org  
Cell (505) 238-3556 Office (505) 873-6961

All questions will be submitted in writing to the senior buyer assigned to this bid on or before November 23, 2007. Those questions and appropriate answers will be posted in an addendum to this bid. Any questions answered verbally will be non-binding on the ABCWUA.

2.0 VENDOR QUALIFICATIONS

2.1 Bidding contractors must be equipped with fully qualified and factory certified personnel with experience to work on the listed U.P.S. units. The awarded contractor must send the appropriately certified personnel to work on the corresponding unit for that certification.

2.2 It is required that the bidding contractors complete the attached Certification and Licensing Requirement form to list the qualified personnel’s certification(s).
2.3 It is required that bidding contractors are in the business of U.P.S. sales of units, parts and products, repairs, maintenance, and preventative maintenance for any uninterrupted power supply units that are bid.

2.4 It is preferred that the contractor maintain a permanent shop in Albuquerque or the surrounding area, equipped with all standard tools and equipment needed to perform maintenance on the listed units.

2.5 A certificate of insurance, per the Supplemental Terms and Conditions of this bid, is required from the awarded bidder prior to issuance of a purchase order.

3.0 BILLING

3.1 Billing is to be based on the awarded bid results.

3.2 The contractor is required to give a copy of the appropriate work order, ticket, or sales order to the ABCWUA representative at the time of service. Invoices shall include (or have attached) a complete description of work performed, and all parts, materials and supplies for which charges are made.

3.3 The awarded contractor is required to indicate the following information on the invoice: Purchase Order number, Release number, the division name and address, and the name of the individual placing the order.

3.4 It is requested that a percent discount off of list price for materials, parts, and supplies be offered in this bid.

    State the unit price as a percentage of the list price. Example: 20% discount from list price results in 80% as unit price entered in unit price column. The result is that the ABCWUA will pay 80% of list price.

4.0 ORDERING

4.1 The ABCWUA personnel will contact the contractor when services are required that are covered under this contract. If the contractor cannot respond or cannot complete the required task within the time limits specified, the ABCWUA reserves the right to obtain the services from the secondary award, if any, or from an outside (non contracted) source.

4.2 For other than preventive maintenance, the ABCWUA personnel, the requestor, requires an estimate for any requested service and/or materials prior to commencement of the order. For repairs, the contractor will contact the requesting personnel and provide an estimated number of hours required to complete the necessary repairs, including a general itemization of work to be performed, and parts to be used with their costs. After approval to proceed, and if during the repair, it becomes evident that the estimated hours will exceed the original estimate by more than 20%, a second estimate, along with a written explanation for any additional time and parts will be provided before further work may continue. All quotes are to be all inclusive.
4.3 In the event that a unit becomes obsolete, parts are no longer available, or the unit is not repairable, a new unit is to be quoted, with the bid discount off list price. The new unit does not necessarily need to be the same brand as the unit being replaced. The ABCWUA will decide at the time replacement becomes necessary. If the quoted replacement unit is ten thousand dollars or more, including installation, all awarded corresponding certified vendors of this bid will be given an opportunity to submit a quote to the requestor for the unit. All quotes are to be all inclusive.

Purchase requests for other than routine maintenance services are to be quoted and approved prior to an order. Upon the ABCWUA’s request, special order shipping and handling/freight is to be authorized and prepaid and added to the invoice. This charge is to be quoted with the order quote. This type of charge cannot be added to the invoice without the requestor’s agreement.

5.0 CONTRACT AWARD

The ABCWUA reserves the right to make multiple awards as a result of this Request For Bid. In the event that a primary and secondary contractor is awarded, the ABCWUA personnel are required to utilize the primary vendor first. If the primary vendor cannot provide the requested services, the secondary vendor is to be utilized. Secondary vendors are not to solicit jobs; the ABCWUA personnel, requestor, will contact the secondary vendor if the primary is unable to provide service for any job.

The Contractor shall assume responsibility for taking the necessary action to correct or replace the rejected items, within the time frame specified in the notice of rejection.

24. **Invoices and Payments:**
The Contractor shall submit an accurate invoice, in duplicate, for each purchase. Invoices shall refer to the Purchase Order Number, the Release Form Number if applicable, and shall be itemized unless otherwise specified in this Request. Invoices are to be mailed to:

    Accounting Division (AccountsPayable),
    City of Albuquerque

25. **Default/Termination for Cause:**

If, through any cause, the Contractor fails to fulfill the Contractor’s obligations under any contract resulting from this Request in a timely and proper manner, or if the Contractor, violates any of the covenants, agreements or stipulations of such contract, the City shall notify the Contractor of such violations in writing and allow the Contractor a reasonable time, set out in the notice, to correct the default. If the default is not corrected within the specified time period the City shall have the right to cancel the contract and any or all other current contracts with the Contractor, and, if applicable, to purchase the required goods or services from another source or sources. The City shall provide written notice to the Contractor specifying the effective date of cancellation. The notice of cancellation may be contained in the notice of default.

If a contract resulting from this Request is cancelled, the Contractor shall not be relieved of liability to the City for damages caused by its breach of the contract. The City reserves the right to recover such damages, including but not limited to any excess cost incurred in having to purchase contract goods/services from other sources by a deduction from an unpaid balance due to the Contractor, collection against a performance or labor and materials payment bond, a combination of these remedies, or any other legal method available. In addition, the Contractor may be removed from the Purchasing Office Vendor List or determined to be ineligible to respond to future solicitations, as being not responsible.

26. **Termination for the Convenience of the City:**

The City may terminate any contract resulting from this Request at any time by giving at least thirty (30) days' notice in writing of such termination to the Contractor. In such event, the Contractor shall be paid under the terms of the contract for all goods/services provided to and accepted by the City, if ordered or accepted by the City prior to the effective date of termination.

27. **Termination for Lack of Appropriations:**

Funding for the contract resulting from this Request has been appropriated by the City Council for the City’s current fiscal year. Notwithstanding any other provisions in the contract resulting from this Request, its continuation beyond the end of the/any fiscal year is contingent on the City Council making the appropriations necessary to fund the contract. If sufficient appropriations are not made the contract may be terminated at the end of the City’s then current fiscal year upon written notice given by the City to the Contractor. Such termination shall not constitute a default. All payment obligations of the City and all of its interest in the contract will cease upon the date of termination. The
City’s decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final.
