## INTRODUCTION

### **Purpose**

The City of Albuquerque (City) is issuing this Request for Proposals (RFP) for the purpose of selecting a qualified Offeror to provide independent verification and validation services (IV&V) to oversee and report on the health and welfare of a project for the implementation services for PeopleSoft ERP modules sufficient to provide an integrated budget preparation, accounting, cash management, procurement, human resources, payroll, and benefits system.

### **Background**

The City has identified the need for IV&V services in large IT projects. The Information Technology Policies and Standards require IV&V services for major projects:

<http://mesa.cabq.gov/policy.nsf/afd45bea1bbf393187256c8a006cf29a/b15ae74148e206df87256f32007b458b?OpenDocument>

The ERP project promises to be an 11 month project, costing in the vicinity of \$3 million. As a result, these services are required by Policy.

### **Turnkey Approach**

The desired contract is one in which the Contractor provides the services throughout the duration of the ERP Implementation Project.

### **Invitation to Propose**

The City is seeking prospective Offerors who have IV&V experience in the implementation of packaged software in a public sector setting. Offerors are encouraged to initiate preparation of proposals immediately upon receipt of this RFP so that all relevant questions and information needs can be identified and answered, and so that adequate time is available to prepare a comprehensive and complete response.

### **Prime Contractor Responsibility**

The City will contract with a single contractor. If a multi-vendor or subcontracted approach is offered, clearly identify the responsibilities of each party and the assurances of performance you offer. The prime contractor must take responsibility for the entire contract performance. The prime contractor will also be responsible for proposing and documenting the software solution and associated costs in the proposal.

In contractor/subcontractor arrangements involving more than one firm, it does not matter to the City which firm assumes the lead role in providing different aspects of the services. If the subcontractor assumes the lead role, the prime contractor must still assume full responsibility for the performance of the contract. If subcontracting, the City prefers the prime contractor to subcontract with local firms, as long as they meet the experience requirements in Part 2.

The selected Offeror will be required to assume responsibility for delivery, installation and maintenance of all software and support services offered in its proposal. The City will consider the selected Offeror to be the sole point of contact with regard to contractual matters including the performance of services and the payment of any and all charges resulting from the purchase of software and for services performed.

### **Addenda to Request for Proposals**

In the event that it becomes necessary to revise any part of this RFP due to inquiries raised, an addendum, supplement or amendment to this RFP will be issued.

The Offeror certifies, by submittal of its offer in response to this solicitation, that the goods offered to the City were produced under decent working conditions. ## PART 4

### EVALUATION OF OFFERS

- 4.1. Selection Process.** The Mayor of Albuquerque shall name, for the purpose of evaluating the proposals, an Ad Hoc Advisory Committee. On the basis of the evaluation criteria established in this RFP, the committee shall submit to the Mayor a list of qualified firms in the order in which they are recommended. Proposal documentation requirements set forth in this RFP are designed to provide guidance to the Offeror concerning the type of documentation that will be used by the Ad Hoc Advisory Committee. Offerors should be prepared to respond to requests by the Purchasing Office on behalf of the Ad Hoc Advisory Committee for oral presentations, facility surveys, demonstrations or other areas deemed necessary to assist in the detailed evaluation process. Offerors are advised that the City, at its option, may award this request on the basis of the initial offers.
- 4.2. Evaluation Criteria.** The following general criteria, not listed in order of significance, will be used by the Ad Hoc Advisory Committee in recommending contract award to the Mayor. The proposal factors will be rated on a scale of 0 – 1000 with weight relationship as stated below.

#### 4.2.1. Evaluation Factors:

**400** -- The Offeror's detailed plans and deliverables to meet the objectives of each task, activity, phase, etc. on the required schedule. Unique experience, proprietary tools, or general methodologies will be given preference where they are determined by the City to be of benefit to the City

**400** -- The Offeror's past performance on projects of similar scope and size as evidenced by the experience and qualifications of the Offeror and personnel as shown on staff resumes.

**200** -- Cost Proposal – The costs proposed by the Contractor as described in Section 2.2 of this RFP to perform the tasks listed in Part 3, Scope of Services. The evaluation of this section, based on a cost/price analysis, will occur after the technical evaluation.

**4.2.2. Cost/Price Factors:** The evaluation of cost factors in the selection will be determined by a cost/price analysis using your proposed figures. Please use the format described in Appendix A. Proposed costs will be evaluated not only to determine if the estimate is reasonable, realistic, and cost effective, but also, the Offeror's ability to organize and perform the services. Please note that the lowest cost is not the sole criterion for recommending contract award. The maximum budget available for this contract is \$200,000.00.

**4.2.3. Cost Evaluation.** The cost/price evaluation will be performed by the City Purchasing Division or designee. A preliminary cost review will ensure that each Offeror has complied with all cost instructions and requirements, including the cap of \$200,000.00. In addition, proposals will be examined to ensure that all proposed elements are priced and clearly presented. Cost proposals that are incomplete or reflect significant inconsistencies or inaccuracies will be scored accordingly or may be rejected by the Ad Hoc Advisory Committee if lacking in information to determine the value/price/cost relative to the services proposed.

**4.2.4. Recommendation of Award:** The scoring of proposals by the Ad Hoc Advisory Committee shall result in a recommendation of award which shall include the scores of all proposals evaluated.

**4.3. Local & Resident Preference.** A preference for local and state businesses is available under the City of Albuquerque Public Purchases Ordinance for this procurement. The “LOCAL PREFERENCE CERTIFICATION FORM” and instructions are attached as an Appendix to this Request for Proposals. If a completed Local Preference Certification Form, or a current and correct Resident Business Preference Number is not received with the Offeror’s response, a preference will not be applied for that offer. The Form or the Number will not be accepted after the deadline for receipt of proposals. For those Offerors qualifying for the preference, a 1.05 multiplier will be applied to the total raw score. Only one preference will apply for this procurement. Local Preference supersedes all other preferences.

**PART 5  
DRAFT AGREEMENT**

**THIS AGREEMENT** is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2007 by and between the City of Albuquerque, New Mexico a municipal corporation, (hereinafter referred to as the "City"), and \_\_\_\_\_, (hereinafter referred to as the "Contractor"), a \_\_\_\_\_, whose address is \_\_\_\_\_.

**RECITALS**

**WHEREAS**, the City issued a Request For Proposals for the Finance and Administrative Services Department, RFP2008-009-SB, titled "Independent Verification & Validation Services for the ERP Design and Implementation Project", dated October 19, 2007, which is attached hereto as Exhibit A, and by this reference made a part of this Agreement; and

**WHEREAS**, the Contractor submitted its proposal, dated \_\_\_\_\_, in response to RFP2008-009-SB, which proposal is attached hereto as Exhibit B, and by this reference made a part of this Agreement; and

**WHEREAS**, the City desires to engage the Contractor to render certain services in connection therewith, and the Contractor is willing to provide such services.

**NOW, THEREFORE**, in consideration of the premises and mutual obligations herein, the parties hereto do mutually agree as follows:

**1. Scope of Services.** The Contractor shall perform the following services (hereinafter the "Services") in satisfactory and proper manner, as determined by the City, pursuant to required Performance Measures:

Provide independent verification and validation services for the ERP design and implementation project in accordance with Exhibit A as supplemented by Exhibit B.

**2. Time of Performance.** Services of the Contractor shall commence on the date of final execution of this Agreement and shall be undertaken and completed in such sequence as to assure their expeditious completion in light of the purposes of this Agreement; provided, however, that in any event, all of the Services required hereunder shall be completed within eighteen (18) months of the date of execution of this Agreement. This Agreement may be extended for up to one (1) additional one-year period upon written agreement of the parties.

**3. Compensation and Method of Payment.**

**A. Compensation.** For performing the Services specified in Section 1 hereof, the City agrees to pay the Contractor up to the amount of \_\_\_\_\_ dollars (\$ \_\_\_\_\_), which amount includes any applicable gross receipts taxes and which amount shall constitute full and complete compensation for the Contractor's Services under this Agreement, including all expenditures made and expenses incurred by the Contractor in performing such Services.

**B. Method of Payment.** Such amount shall be paid to the Contractor at the rate of \_\_\_\_\_ dollars (\$ \_\_\_\_\_) per month. Payment shall be made to the Contractor monthly upon receipt by the City of a properly documented requisition for monthly payment as determined by the budgetary and fiscal guidelines of the City on the condition that the Contractor has accomplished the Services to the satisfaction of the City.

**C. Appropriations.** Notwithstanding any other provisions in this Agreement, the terms of this Agreement are contingent upon the City Council of the City of Albuquerque making the appropriations necessary for the performance of this Agreement. If sufficient appropriations and authorizations are not made by the City Council, this Agreement may be terminated at the

City's then current fiscal year upon written notice given by the City to the Contractor. Such event shall not constitute an event of default. All payment obligations of the City and all of its interest in this Agreement will cease upon the date of termination. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final.

**4. Independent Contractor.** The Contractor is considered as an independent contractor at all times in the performance of the services described in Section 1. The Contractor further agrees that neither it nor its employees are entitled to any benefits from the City under the provisions of the Workers' Compensation Act of the State of New Mexico, or to any of the benefits granted to employees of the City under the provisions of the Merit System Ordinance as now enacted or hereafter amended.

**5. Personnel.**

**A.** The Contractor represents that it has, or will secure at its own expense, all personnel required in performing all of the Services required under this Agreement. Such personnel shall not be employees of or have any contractual relationships with the City.

**B.** All the Services required hereunder will be performed by the Contractor or under its supervision and all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under state and local law to perform such Services.

**C.** None of the work or Services covered by this Agreement shall be subcontracted without the prior written approval of the City. Any work or Services subcontracted hereunder shall be specified by written contract or agreement and shall be subject to each provision of this Agreement.

**6. Indemnity.** The Contractor agrees to defend, indemnify, and hold harmless the City and its officials, agents, and employees from and against any and all claims, actions, suits, or proceedings of any kind brought against said parties for or on account of any matter arising from the Service performed by the Contractor under this Agreement. The indemnity required herein shall not be limited by reason of the specification of any particular insurance coverage in this Agreement.

**7. Bonds and Insurances.** The Contractor shall not commence any work under this Agreement until the insurance required in Exhibit A, Section 1.25, has been obtained and the proper certificates (or policies) have been submitted to the City.

**8. Discrimination Prohibited.** In performing the Services required hereunder, the Contractor shall not discriminate against any person on the basis of race, color, religion, gender, sexual preference, sexual orientation, national origin or ancestry, age, physical handicap or disability, as defined in the Americans with Disabilities Act of 1990, as currently enacted or hereafter amended.

**9. ADA Compliance.** In performing the Services required hereunder, the Contractor agrees to meet all the requirements of the Americans with Disabilities Act of 1990 (the "ADA"), which are imposed directly on the Contractor or which would be imposed on the City as a public entity. The Contractor agrees to be responsible for knowing all applicable rules and requirements of the ADA and to defend, indemnify and hold harmless the City, its officials, agents and employees from and against any and all claims, actions, suits or proceedings of any kind brought against said parties as a result of any acts or omissions of the Contractor or its agents in violation of the ADA.

**10. Reports and Information.** At such times and in such forms as the City may require, there shall be furnished to the City such statements, records, reports, data and information, as the City may request pertaining to matters covered by this Agreement. Unless authorized by the City, the Contractor will not release any information concerning the work product including any reports or other documents prepared pursuant to this Agreement until the final product is submitted to the City.

11. **Open Meetings Requirements.** Any nonprofit organization in the City which receives funds appropriated by the City, or which has as a member of its governing body an elected official, or appointed administrative official, as a representative of the City, is subject to the requirements of §2-5-1, et seq., R.O.A. 1994, Public Interest Organizations. The Contractor agrees to comply with all such requirements, if applicable.

12. **Establishment and Maintenance of Records.** Records shall be maintained by the Contractor in accordance with applicable law and requirements prescribed by the City with respect to all matters covered by this Agreement. Except as otherwise authorized by the City, such records shall be maintained for a period of three (3) years after receipt of final payment under this Agreement.

13. **Audits and Inspections.** At any time during normal business hours and as often as the City may deem necessary, there shall be made available to the City for examination all of the Contractor's records with respect to all matters covered by this Agreement. The Contractor shall permit the City to audit, examine, and make excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this Agreement. The Contractor may be required to provide such information and records and appear as a witness in hearings for the City's Board of Ethics and Campaign Practices pursuant to Article XII, Section 8 of the Albuquerque City Charter.

14. **Publication, Reproduction and Use of Materials.** No material produced in whole or in part under this Agreement shall be subject to copyright in the United States or in any other country. The City shall have unrestricted authority to publish, disclose, distribute, and otherwise use, in whole or in part, any reports, data or other material prepared under this Agreement.

15. **Compliance with Laws.** In providing the Scope of Services outlined herein, the Contractor shall comply with all applicable laws, ordinances, and codes of the Federal, State, and local governments.

16. **Changes.** The City may, from time to time, request changes in the Scope of Services of the Contractor to be performed hereunder. Such changes, including any increase or decrease in the amount of the Contractor's compensation, which are mutually agreed upon by and between the City and the Contractor, shall be incorporated in written amendments to this Agreement.

17. **Assignability.** The Contractor shall not assign any interest in this Agreement and shall not transfer any interest in this Agreement (whether by assignment or novation), without the prior written consent of the City hereto.

18. **Termination for Cause.** If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner its obligation under this Agreement or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Agreement, the City shall thereupon have the right to terminate this Agreement by giving five (5) days written notice to the Contractor of such termination and specifying the effective date of such termination. In such event, all finished or unfinished documents, data, and reports prepared by the Contractor under this Agreement shall, at the option of the City, become its property, and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.

Notwithstanding the above, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of this Agreement by the Contractor, and the City may withhold any payments to the Contractor for the purpose of set-off until such time as the exact amount of damages due to the City from the Contractor is determined.

19. **Termination for Convenience of City.** The City will terminate this Agreement at any time by giving at least fifteen (15) days notice in writing to the Contractor. If the Contractor is terminated by the City as provided herein, the Contractor will be paid an amount which bears the same ratio to the total compensation as the Services actually performed bear to the total Services of the Contractor

covered by this Agreement, less payments of compensation previously made. If this Agreement is terminated due to the fault of the Contractor, the preceding section hereof relative to termination shall apply.

**20. Construction and Severability.** If any part of this Agreement is held to be invalid or unenforceable, such holding will not affect the validity or enforceability of any other part of this Agreement so long as the remainder of the Agreement is reasonably capable of completion.

**21. Enforcement.** The Contractor agrees to pay to the City all costs and expenses including reasonable attorney's fees incurred by the City in exercising any of its rights or remedies in connection with the enforcement of this Agreement.

**22. Entire Agreement.** This Agreement contains the entire agreement of the parties and supersedes any and all other agreements or understandings, oral or written, whether previous to the execution hereof or contemporaneous herewith.

**23. Applicable Law.** This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New Mexico, and the laws, rules and regulations of the City of Albuquerque.

**24. Approval Required.** This Agreement shall not become effective or binding until approved by the City's Chief Administrative Officer.

**IN WITNESS WHEREOF**, the City and the Contractor have executed this Agreement as of the date first above written.
